March 30 2010

Attention: Clients & Suppliers of Crawford Alexander Designs By 2 Inc.

To whom it may concern

It is with great pleasure we announce the expansion of Crawford Alexander Designs By 2 Inc. and the commencement of a non-partnered company Alexander Interiors & Design.

Effective as of March 30 2010

Luc Crawford will assume all past and future responsibilities, 100% controlling ownership of Crawford Alexander Designs By 2 Inc., its office and retail locations at 1089 Somerset Street West and GalleryCA at 1112 Wellington Street West in Ottawa.

With that, we announce the commencement of Alexander Interiors & Design under the sole ownership of Jamie LeBlanc-Alexander. All future responsibilities for Crawford Alexander Interiors & Design at 173 King Street East, Toronto Ontario and will be assumed by Alexander Interiors & Design.

We will continue to work on TV, seminar and collective design projects together as Designs By 2 but will respectively maintain our individual companies.

We look at these changes as a growth and expansion for both of us rather than the division of two great designers. Through this time of growth, expansion and change we trust you will see us through and look forward to many great years of business with you. Should you have any questions please contact us respectively at our contact information below.

Sincerely,

Luc Crawford
